Instructions

Work with a partner.

- 1 Find and correct one mistake in each sentence.
- 2 You have up to 10 points to use for every sentence. Decide how many points you want to risk on each sentence.
- 3 If you successfully correct a sentence, you score the amount of points you used for that sentence. However, if you get it wrong, you lose the points that you used.
- 4 The team with the most points at the end of the game is the winner.

Instructions

Work with a partner or in teams. You need a different coloured pen for each pair or team.

- 1 You need to cross from one side of the game to the other. The first pair or team to do this is the winner.
- 2 The words in each hexagon have been mixed up. You need to put the letters in the correct order to make a word, then use the word correctly in a sentence to win the hexagon.
- 3 Flip a coin to decide who starts. Then take turns to choose a hexagon and work out the correct word. If you get the correct word and use it correctly in a sentence, mark the hexagon with your team's colour.
