

2.

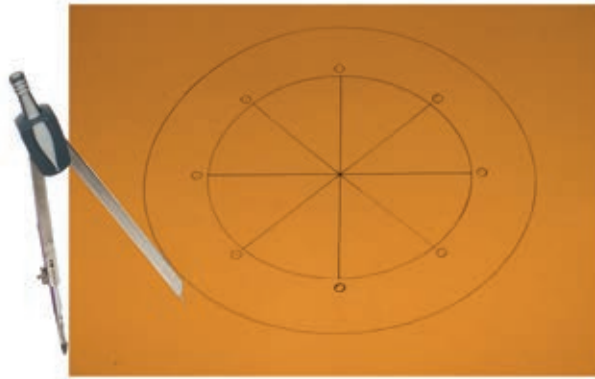

Complete this drawing of a dream by the surrealist artist Salvador Dalí.

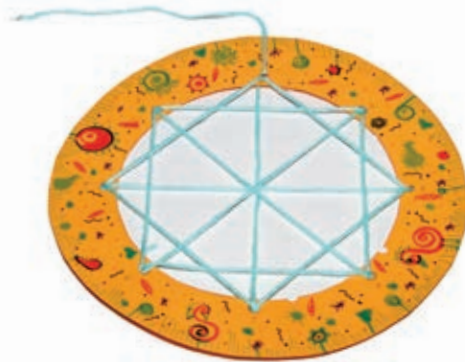

Make a dreamcatcher

MATERIALS

- beads
- cardboard
- compass
- craft feathers
- scissors
- string or wool

Step 1: Use the compass to draw two **concentric circles**. Divide the circles into eight equal parts.

Step 3: Thread the string through the holes to make a **web**. Tie beads onto more lengths of string.

DON'T FORGET TO WATCH THE VIDEO!

Step 2: Cut out the **ring** and punch holes in each division line. Then decorate it.

Step 4: Tie the strings of beads to the outside of the ring. Attach a feather at the end of each string.
