

# Secondary 2

**CORE**

# PHYSICS AND CHEMISTRY

## Student's Book

Contents	Page
<b>Unit 1</b> Scientific work .....	2
<b>Unit 2</b> Matter and its properties .....	14
<b>Unit 3</b> The states of matter .....	21
<b>Unit 4</b> Matter in nature .....	29
<b>Unit 5</b> Chemical changes in matter .....	39
<b>Unit 6</b> Motion .....	48
<b>Unit 7</b> The forces of nature and the Universe .....	56
<b>Unit 8</b> Transformations in matter: energy .....	66
<b>Unit 9</b> Heat and temperature .....	74
<b>Unit 10</b> Sound .....	81
<b>Unit 11</b> Light .....	88
Physics and Chemistry language practice activities .....	97
Periodic table .....	99

All the written activities in this book should be completed in your own notebook, and not in this book.
