

YOU'VE GOT A DIGITAL BADGE!

Oxford University Press Spain takes a step forward to make its Continuous **Professional Development initiatives** more innovative and savvy for 21st century educators like you.

Digital badges are what can be called '**digital certificates**' and Oxford University Press Spain awards them to teachers who **participate** in our **Professional Development programmes**.

Digital badges provide a visual, verifiable and portable way to share your accomplishments and **add credibility** to your profile for they are unique. As the badge represents your participation across **a series of resources**, at times you will be asked to quickly verify your identity in order to **track your progress**.
