Do you love technology? Here are three shopping ideas.

Smartphone Stand

Do you enjoy making dance videos on TikTok? If the answer is yes, a Smartphone Stand is the ideal product for you. The phone stand uses software that recognizes your face and follows you around as you dance. It means it is much easier to make your video which also mean you will have more fun. Impress your friends today! Make a video with a Smartphone Stand.

Self-cleaning Bottle

We all know it's important to drink enough water, but we also know that plastic bottles are bad for the environment. Now scientists have developed Self-cleaning Bottles. These bottles use UV technology which destroys chemicals and makes the water cleaner. This method is better for the environment and better for you. The bottles are great for people who love sport or who travel a lot. They come in a range of colours and make great gifts, too.

Smart Coffee Cup

Do you love drinking coffee? Do you hate it when your coffee grows cold? Don't worry! Now you can buy a Smart Coffee Cup. Choose the temperature you want and this incredible cup will keep your coffee warm for around 1.5 hours. The clever device means you don't throw so much coffee away which is better for the environment. You can control the temperature settings using an app on your phone.

What Does it Mean to be a Surfer?

Do you like the idea of water sports? Have you ever thought about surfing? It's true that some people are afraid before they begin, but as soon as they can surf, they love it and never want to stop. ¹ ___ But how can you become a good surfer? What qualities and skills do you need? Firstly, you must love adventure. You also need to have a lot of energy and to be fit. ² ___ You don't have to be good at lots of different sports, but of course, you do need to be an excellent swimmer.

Learning how to surf well takes a long time and you must practise hard if you want to become good. This can be difficult if you don't live near a beach. When you do go to the beach, you must have a coach. A good coach will teach you the skills and techniques you need. For example, the right way to stand on the board. But don't worry about buying expensive equipment, you can always hire a board. ³ ___

Experienced surfers are always searching for the perfect wave and the perfect weather. They check the weather conditions in different seasons and travel around the world from one beach to another. Many surfers have a favourite country for surfing. ⁴ ___ Other great surfing locations include Australia, Bali, Costa Rica, South Africa, Portugal and the west coast of the USA.

So, why not join the surfing community and give this exciting way of life a try? Some people think it must be a lonely sport because you ride the waves alone, but this isn't true. Surfing connects you with people from different countries and cultures. Even if you don't manage to travel, people will always come to you.

Read the text and answer the question.

- 1 The main purpose of this text is to ____.
- A explain what surfing is like

A Different Type of Holiday

'Ecotourism' describes a holiday that aims to protect the environment. Its purpose is to educate the traveller about the environment and the culture of the local community. This type of holiday wasn't popular in the past as it was very expensive. However, in recent years, with low-cost airlines and cheap accommodation, more people can afford this type of travel.

Luxury in the rainforest

An example of ecotourism is in Infierno in Peru. Hundreds of years ago, the journey to this place was very difficult. Now, boats carry tourists along the river to comfortable places to stay called eco-lodges. These lodges are in the middle of thick rainforests where visitors can explore and learn more about the amazing rainforest wildlife in its natural habitat.

An African adventure

The African country of Botswana has many options for the adventurous traveller. The Okavango Delta is an ideal location to see exotic wildlife. Travellers can stay in eco-lodges and go on spectacular safari trips during the day. They get the opportunity to meet local people and learn more about their culture.

Working in Ecotourism

Laos is a country in South-East Asia. In a remote area of the country called Luang Namtha, the government is encouraging local communities to learn English so that they can earn money from ecotourism. The area is covered by rainforests, mountains and rivers. Today, many people work as guides for tourists who are interested in learning about their culture and their environment. Ecotourism has helped to develop and protect this community.

What is the purpose of this text?

- A to explain the advantages and disadvantages of ecotourism
- B to show different examples of ecotourism

/ 1

Read the text. Complete the sentences with one word in each gap.

- 1 In the past, ecotourism wasn't popular because it was _____ .
- 2 Today, tourists stay in _____ .
- 3 In Botswana, tourists enjoy going on _____ .
- 4 The people of Laos learn _____ to help them get jobs.
- 5 They work as _____ for visitors to their country.

Richard is studying English. He went to India.**What did you do?**

I volunteered with a street children's program in India. These children don't have families, so you need to show a lot of compassion and give them lots of love. As part of the programme, I had to teach them English and play games with them. I always wanted to visit India and this trip changed my life. I learned a lot about a very different way of life. I also met some amazing people and saw some beautiful places while I was travelling around the country. I avoided expensive hotels and stayed with local people. My favourite place has got to be the Taj Mahal – it's the most spectacular building I've ever seen.

Elizabeth is studying Business Studies. She went to Australia and New Zealand.**What did you do?**

I always wanted to travel a lot and have new experiences. I've been kayaking and mountain biking in some beautiful places in England before, but kayaking with dolphins in Byron Bay in Australia and hiking in Craigieburn Forest Park in New Zealand were the most amazing experiences I've ever had. The places were spectacular! While I was in New Zealand, I met a group of students from South Africa, and we became friends. They wanted to go rock climbing in Tasmania and I joined them as I didn't want to miss out on the opportunity to try something new. I can tell you – it was terrifying!
