

Secondary 4

CORE MATHEMATICS B

Student's Book

Contents	Page
Unit 1 Real numbers	2
Unit 2 Powers, logarithms and financial maths	12
Unit 3 Polynomials and algebraic fractions	30
Unit 4 Equations and inequations	48
Unit 5 Systems of equations and inequations	62
Unit 6 Sequences	74
Unit 7 Geometry of the plane and of space	82
Unit 8 Trigonometry	98
Unit 9 Analytic geometry	114
Unit 10 Functions	126
Unit 11 Polynomial and rational functions	138
Unit 12 Exponential, logarithmic and trigonometric functions	148
Unit 13 Combinatorics and probability	158
Unit 14 Statistics	176

All the written activities in this book should be completed in your own notebook, and not in this book.

CLIL CORE activity types

-  speaking
-  listening
-  explanation needed
-  calculator needed
