Key competences

- Linguistic communication
- Science, Technology, Engineering and Mathematical (STEM)
- Digital
- Personal, social and learning to learn
- Entrepreneurship
- Citizenship
- Cultural awareness and expression

Meet the STEAM Team!

Science
Technology
Engineering
Arts and
Mathematics

I like science!

I like technology!

I like engineering!

I like art!

I like maths!

Do STEAM challenges.

Challenge

Make a thermometer

This is my thermometer. It's 14 degrees celsius today

Planning

1 Circle the objects you can use to measure temperature.

2 Look and write the temperatures.

a. _____ b. _____ c. _____

Project Learning situation 3

Community helpers

There are lots of ways to be a community helper.

How can I help my community?

1 Collaborate with your partner to think of activities you can do to help your community.

Ask important questions.

How can you cross the road?

It's important to stay safe on the road.

1 Do you know how to cross the road? Watch. 2 Look and stick.

safe not safe

3 Write.

green red

WOW We cross the road at the zebra crossing.

Language learning lab

Cross when the man is green. Don't cross when the man is red.

Learn together!
