**Skills test 1****READING****Blind date next door**

*Romance* magazine talked to Dan who tells us about how he found the love of his life.

1 c

**Dan** Actually, we met at three very different times in our lives. We were both born in Bath and we actually grew up in the same street. Jess's parents ran an art gallery across the road from our house. We knew each other as children but not well. Six years is a big age difference when you're a kid.

2 \_\_\_\_\_

**Dan** After school I started university in Oxford. My best friend there was Paul. We're still very close: he's like a brother to me. One day I went round to see him for coffee. He introduced me to his cousin who was visiting. She was so attractive she took my breath away.

3 \_\_\_\_\_

**Dan** She was very chatty and funny. As the evening progressed, I liked her more and more. To be honest, I was quite disappointed when I found out she was just 16 – I thought she was too young for me. I was just starting my Master's degree in English, so I was 22 then.

4 \_\_\_\_\_

**Dan** No, I didn't – not then. One summer Paul and I visited my old home town. We were staying with my parents. Over dinner, Paul mentioned something about the art gallery his uncle owned across the road. That's when I realized who Jess was.

5 \_\_\_\_\_

**Dan** No, we didn't. We met years later. I went on a chatroom website, and I started exchanging messages with a very nice, 21-year-old girl. We sent each other links to songs and videos on the net that we both liked, we talked about the best places in Bath to go out to eat, that sort of thing. It took me some time to get the courage to ask her out on a date.

6 \_\_\_\_\_

**Dan** We agreed to meet outside the Assembly Rooms, and go from there to an Indian restaurant close by. But as I was leaving home, I ran into Jess in the street. We talked a bit, then she said she was in a hurry because she had a blind date with someone. Of course, that someone was me.

7 \_\_\_\_\_

**Dan** Yes and no. It was the beginning of my happiest relationship. But it wasn't really a blind date – I have known her all my life!
