

### Materials

- paper
- pencil
- crayons
- markers

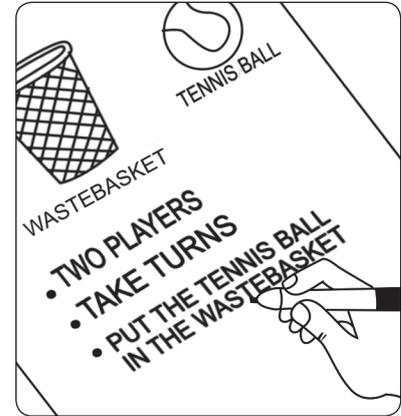

### A Make a game.

1. How can you play an outside game inside? Write the name.

2. Draw and color what you need to play the game. Write the names.

3. Write how to play the game.

### B Write about your game in your Project Notes.

### Project Notes

---

To play the game, you need \_\_\_\_\_

---

You need \_\_\_\_\_ players to play this game.

---

To win, you have to \_\_\_\_\_

---

### C Use your Project Notes to talk about your project with a partner.

What game do you like to play at school? Why?
