Sports Camp

Hamilton School will be hosting a sports camp this summer. Each week, you can play one of your favorite sports. Inside the gym, it's all about basketball. The coach used to play for a professional team! He'll help you practice your free throws to get that ball in the hoop. Go outside to learn softball. The coach will show you how to hit with a bat, catch with a mitt, and run around the bases. Next to the softball field is a soccer field. There, you can learn how to run fast and kick the ball into the goal. At the end of the summer, there will be a tournament for all campers. These sports are great fun, with great teachers. Sign up today!
