

Project

At the Aquarium

Materials
 paper
 poster paper
 markers
 crayons

A Make a poster.

1. Choose a sea animal. Then write research questions about the animal.
2. Use the Internet, books, or magazines to learn more about the animal. Choose a picture of the animal for your poster.
3. Write facts about the animal around the poster.

B Write about your poster in your **Project Notes**.

Project Notes

Fun animal facts:

C Use your **Project Notes** to talk about your project with a partner.

How are sea animals different from land animals?
