0 What is STEAM? Page 6		<ul style="list-style-type: none"> • STEAM in action • Women in STEAM • The road to learning and scientific success 				
1. Human nutrition Page 10  Watch.	How do humans get nutrients and eliminate waste?  Watch.	How does the circulatory system transport nutrients and oxygen to the cells in your body?  Watch.	What's the main function of the respiratory system?  Watch.	What should we do to have a balanced diet?  Watch.		
2. Human interaction and reproduction Page 28  Watch.	How do you interact with the world around you?  Watch.	Which systems make up the locomotor system?  Watch.	What are the stages in human reproduction?	What changes happen during puberty and adolescence?		
3. Energy Page 46  Watch.	What's energy?	How do we use different forms of energy?	Where do non-renewable resources come from?	What are the negative effects of fossil fuels?  Watch.	What are the advantages of renewable energy?  Watch.	What's electrical energy?
Page 70 Project. Learning situation 1 Eco-friendly homes						
4. Spain in the Middle Ages Page 72  Watch.	Who were the Visigoths?  Watch.	How was al-Andalus formed?  Watch.	What was life like in al-Andalus?  Watch.	How were the Christian kingdoms formed?  Watch.		
5. Early Modern Spain Page 90  Watch.	Who were the Catholic Monarchs?	What happened during the Age of Discovery?  Watch.	Who were the Hapsburgs?	Who were the Bourbons?  Watch.		
6. Design and technology Page 108  Watch.	What are digital devices?  Watch.	How can we search for and analyse information on the Internet?  Watch.	How can we use the Internet safely and follow digital etiquette?			
Page 124 Project. Learning situation 2 Digital presentations						
7. Population Page 126  Watch.	What indicators give us data on population change?	What types of graphs can we use to represent population groups?  Watch.	What's the population density of Spain and Europe?  Watch.	What are the factors that influence the migration of people?		
8. Spain and Europe Page 144  Watch.	What are the main features of the Spanish Constitution?	What's the separation of powers?  Watch.	Where are each of Spain's autonomous communities?  Watch.	How are the autonomous communities of Spain organised?  Watch.		
9. The economy Page 162  Watch.	How do we obtain raw materials?	What type of products does the secondary sector provide?  Watch.	What types of services does the tertiary sector provide?  Watch.	Why do companies advertise?  Watch.		
Page 180 Project. Learning situation 3 The circular economy

• Language learning lab in every unit • WebQuest in every unit

 Watch. unit videos, content videos and experiment videos
 interactive map

What should you do if someone has an accident?		Science lab Why has the stomach got gastric juices? ▶ Watch.	CULTURE Christiaan Barnard	STEAM Challenge My model lung	Review & Reflect What have you learned about human nutrition?
What are healthy habits?		Science lab How fast can you react? ▶ Watch.	CULTURE Santiago Ramón y Cajal	STEAM Challenge My cardboard robotic hand	Review & Reflect What have you learned about human interaction and reproduction?
What do we need to make an electric circuit? ▶ Watch.	What are robots?	Science lab How does acid rain affect plants?	CULTURE Kimberly Bryant	STEAM Challenge My machine	Review & Reflect What have you learned about energy?
What caused the Reconquista? 👁️		Social lab Can you make a timeline?	CULTURE St Isidoro of Sevilla	STEAM Challenge My Roman calculator model	Review & Reflect What have you learned about Spain in the Middle Ages?
What artistic styles appeared in the Early Modern Age? ▶ Watch.		Social lab Can you put events in chronological order?	CULTURE Inés de Suárez	STEAM Challenge My compass	Review & Reflect What have you learned about Early Modern Spain?
How can you show what you have learned about the Internet?		Design lab How can you design and test a parachute?	CULTURE Dorothy Vaughan	STEAM Challenge My storyboard comic	Review & Reflect What have you learned about design and technology?
How can we make our society more inclusive and diverse?		Social lab Can you make a pie chart?	CULTURE Sadako Ogata	STEAM Challenge My drum	Review & Reflect What have you learned about population?
What are the main institutions of the European Union and what are their objectives?		Social lab Can you make a map?	CULTURE Clara Campoamor	STEAM Challenge My flagpole	Review & Reflect What have you learned about Spain and Europe?
What does gender equality mean?		Social lab Can you do a class survey?	CULTURE Amartya Sen	STEAM Challenge My advertisement	Review & Reflect What have you learned about the economy?

Key competences

-  Linguistic communication
-  Science, Technology, Engineering and Mathematical (STEM)
-  Digital
-  Personal, social and learning to learn
-  Entrepreneurship
-  Citizenship
-  Cultural awareness and expression
