

Oxford Discover Futures Classroom Presentation Tool

Deliver heads-up lessons

Engage your students in your blended learning classroom with the easy-to-use digital features. Download to your tablet or computer, connect to an interactive whiteboard, projector, or screen, and teach lessons that run smoothly – every time.

Play audio and video at the touch of a button and launch activities straight from the page. Answer keys reveal answers one-by-one or all at once to suit your teaching style. Capture your students' attention with the Focus tool: activities fill the screen so that everyone can participate, even large classes.

Take your Classroom Presentation Tool with you and plan your lessons online or offline, across your devices. Save your weblinks and make notes directly on the page – all with one account.

Focus your students' attention on a single activity.

- Play audio and video at the touch of a button.
- Speed up or slow down the audio to tailor lessons to your students' listening level.

- Save time in class and mark answers all at once.
- Reveal answers after discussing the activity with students.
- Try the activity again to consolidate learning.

4 Study the examples from the information leaflet and answer the questions.

a Sameer works **nine hours a day**.

b He **usually** eats and sleeps in the factory.

1 Which **highlighted** word or time phrase is an adverb of frequency?

2 What other adverbs of frequency can replace **usually**?

Save

- Save your weblinks and other notes for quick access while teaching.
- Save your notes, and use across devices using one account so that you can plan your lessons wherever you are.
- Work on pronunciation in class: record your students speaking and compare their voices to Oxford Discover Futures audio.
