

'I will go down there,' decided Micro, 'and I'll watch the real dogs. I will learn how to be like them. Then Daniel will play with me.'

But how could he get to the park? He was high up and the park was a long way down.

What real dogs do

Micro went back and hid behind the sofa. Then he saw his chance.

Daniel's mum went to work and Micro sneaked out through the door after her.

He saw her press a button in the wall. Then she vanished through some sliding doors. His robot eyes flashed.

'That is the way down,' he decided.
