The best day of the year!

By Amy Davis

New Year's Eve is on 31st December. It's the last day of the year and people in the USA have big parties. My parents prepare lots of food for dinner. My grandparents, uncles, aunts and cousins come to our house. We all dress up and we wait for the new year. We go to bed very late. Last year, we had prawns for dinner. They were delicious! I danced with my cousins. I was tired the next day, but I was very happy, too.
