An unusual city

What is the capital of England? London of course! And do you know the names of the biggest cities in Scotland? How about Edinburgh or Glasgow?

Everybody knows London and Edinburgh, but the UK's smallest city, St Davids is not so well-known. It has a population of just 1800 people! The UK has four different countries and Wales is one of them. St Davids is a city in Wales. People in Wales speak two different languages – Welsh and English.

So how can a small place with such a small population really be a city? In the UK, a city is a place that has a cathedral, and St Davids has one of the most beautiful cathedrals in Wales.

St Davids is next to the sea and you can go on a boat trip to Skomer Island to see the puffins – the special, colourful kind of birds that live there. You might even see a dolphin swimming in the sea next to you!

In May, there is a classical music festival and this is probably the best time to visit!

7 Match the descriptions to the places.

- 1 a language they speak in Wales _____ A Glasgow
- 2 the smallest city in the UK _____ B a city

First day at school

It's normal to be nervous on your first day. But don't forget that all new students feel the same, so don't worry?

You don't want to be late on your first day, so get up early. Have a good breakfast before you go to school. Check your bag. Have you got everything you need (notebooks, pens, pencils)? And don't forget to take a snack for break time.

Of course you want to make new friends. Always smile and be friendly to others. Talk to your new classmates and tell them about yourself. You can talk about family, hobbies or your favourite food.

Listen carefully to your teachers. They're there to help you. Don't talk in class or play funny games with your new classmates. You can do that in the playground! Try to be responsible and well-behaved in class.

First day at school

It's normal to be nervous on your first day at school. But don't forget that all new students feel the same as you, so don't worry. Follow our tips for a fun first day at school!

Have a good breakfast to start the day. Check your bag. And don't forget to take a snack for break time. It's a good idea to walk to school with some friends, then you know you won't be late.

Of course you want to make new friends. Always smile and be friendly to others. Talk to your new classmates and tell them about yourself. You can talk about family, hobbies or your favourite sport.

When you start a new school, you have lots of new subjects, and you learn new skills such as playing an instrument or a new language. There's a lot to think about, but listen carefully to your teachers. Don't talk in class or mess around with your new classmates. You can go into the playground to do that! If you want to ask a question, put your hand up. Try to be responsible and well-behaved in class.

And finally – have fun and enjoy your first day!

7 Read the text and answer the questions. Write complete sentences.

1 How do some students feel on their first day of school?

2 What can you do to get to school on time?

3 Why is it important to smile and be friendly?

4 What new skills can you learn at school?
